To Whom It May Concern:

Todd Fiorentino has worked for Zanya Spa/Salon from June 2005 until present as a Massage Therapist. We have been very pleased with his performance as he is cordial with our guests and provides outstanding service. As an award-winning salon and spa, it is important for us to go "above and beyond." Todd has proven time and again that he is reliable, professional and willing to accommodate our needs. His clients look very relaxed and less stressed coming out of their treatment.

If you have any questions, please do not hesitate to call.

Sincerely,

Nancie Silvestri
Co-Owner
